REHEARSALS

Each group will have approximately four rehearsals on Tuesdays, starting Tuesday April 24th through the week of the show. Skaters must attend all 4 Learn the Routine Rehearsals (45 – 60 minutes each), 1 Full Cast Rehearsal (1 ½ hours). The majority of skating skills taught in class will be featured in the choreography of each group. Our skaters are young and talented, but may need time to develop the ideal routine. Please be patient when viewing practice. A show like “Hollywood on Ice” has limited rehearsal time, so it is essential that skaters attend the technical / dress rehearsal. Rehearsal schedule attached. Please do not sign up if you cannot attend rehearsals. Conflicts or concerns, please contact Tom Hickey (507) 333-1516.

PARTICIPATION FEE: *NEW (Reduced Fee)*

In order to participate in the show the cost is \$100 per skater. This includes costume, and participation fee (4/5 learning rehearsals, 1 full cast rehearsals and 2 performances). This fee is NON REFUNDABLE.

Payment

Payment may be paid by cash, check or credit card.

COSTUMES

Please size your child carefully on the form as this will determine the size ordered for costumes this spring. Alterations are not provided by SSM Skating Academy.

T-SHIRTS (\$15.00)

T-Shirts make a great gift for your skater. The skaters will love to wear the t-shirt with the ice show logo over their costumes while waiting for their routines and after the show as a wonderful souvenir.

Volunteers

Volunteers are a key to success for a production of this size. Volunteers are needed for dressing room monitoring, back stage help, ushering ect. Sign-ups will be posted as the show approaches. Volunteers are greatly appreciated! *One free ticket for the opposite performance will be exchanged for services.*

Costume Measurements

The most important measurement for costume order is the girth measurement. Measure girth from the center of the right shoulder, through the crotch, and back to the starting point. For all measurements, measure around body as shown to the left, always in complete circles, and do not draw tape tight. When in doubt as to size, let the girth measurement be your guide. When converting measurements from inches to centimeters, use 1 inch (1") = 2.54 cm, and 1 feet (1')=30.48cm
